

Sodick LA40 All-Electric Injection Molding Machine (2009) with Yushin Take-out Robot

Stock ID : JT-IM-SD09-14

Well-maintained Sodick LA40 all-electric injection molding machine (2009) with Yushin take-out robot.

A reliable solution for high-precision and energy-efficient molding operations.

Asking Price: USD 8,900 (FOB)

FOB price does not include:

- Inland transport in Japan
- Ocean freight
- Marine insurance

CIF quotation can be provided upon request depending on the destination port.

Key Highlights

- ✓ All-electric injection molding system for high precision molding
- ✓ Energy-efficient AC servo motor drive
- ✓ Yushin take-out robot for automated operation
- ✓ IMC6A controller with 12-inch touch panel
- ✓ Stable and reliable performance from Sodick technology

Payment Method

Credit card payment available via Stripe (USD).

Secure and smooth international payments are supported.

Bank transfer in USD is also accepted.

We can receive USD payments via our international bank account (Wise).

◆ Machine Overview

The **Sodick LA40 all-electric injection molding machine (2009)** is designed for high-precision plastic molding.

Equipped with a **Yushin take-out robot**, it enables efficient automated production for small to medium plastic parts.

With **40-ton clamping force and AC servo motor control**, the machine provides stable performance, high repeatability, and energy-efficient operation.

Suitable for producing **electronic components, connectors, and other precision plastic parts**.

◆ Machine Condition • In good condition • Currently located in Japan • Under power inspection available • No mechanical issues reported • Video available Machine is sold as-is, where-is with no warranty. Availability Available for immediate shipment from Japan.	◆ Competitive Advantage for Buyers ✓ Reliable Japanese brand (Sodick) ✓ Easy maintenance and parts availability ✓ Compact size suitable for small workshops ✓ Competitive price for overseas buyers  Location Japan
◆ Why this machine • Made in Japan – trusted manufacturing quality • All-electric injection molding for stable precision • Energy-efficient AC servo motor system • Compact machine suitable for small factories • Ready for export from Japan	 Contact Japan Trading Operated by Olive Net Co., Ltd.
